Dear IMPACT Plus Sub-Provider:

Enclosed you will find a copy of the IMPACT Plus regulation 907 KAR 3:030E. This emergency amendment was filed on May 21, 2002. The following technical assistance meetings have been scheduled to address the changes within the new regulation:

June 5 The Carroll Knicely Conference Center (2:00 - 4:00 Central Time)
WKU South Campus
2355 Nashville Road
Bowling Green (Phone: 270-745-1908)

June 7 Lexington Public Library-Central Library-Room A (2:00 - 4:00 Eastern Time)
140 East Main Street
Lexington (Phone: 859-231-5500)

As stated within the regulation, ***"The payment rate for a service that is authorized after the effective date of this regulation shall be uniformly set by the provider to all subcontractors based upon 98% of the weighted median of all IMPACT Plus paid claims for the service for the period of Calendar Year 2001"***. Enclosed you will also find a table that further describes the uniform rate schedule. Please note that Wilderness Camp service has been deleted from the covered services.

The suspension regarding the expansion of services will remain in place until further notice. We will also reaffirm the services and the regions your agency is authorized to provide the services, in an upcoming correspondence. We look forward to seeing you and your staff during one of the meetings listed above. You will also find a maps enclosed. In the interim, please feel free to provide comments and questions you would like to be addressed at the technical assistance meetings by using the following email address: IMPACT.PLUS@MAIL.STATE.KY.US. Thank you for your patience and commitment in serving the needs of children and youth through the IMPACT Plus program.

Sincerely,

Carla Mahan
Program Manager, IMPACT Plus
